UNDER 37 CFR 1.97(B)

Commissioner for Patents

 Alexandria, VA 22313-1450

Dear Sir:

10/590562

AP9 Rec'd PCT/PTO 24 AUG 2006

PATENT
930108-2026.1

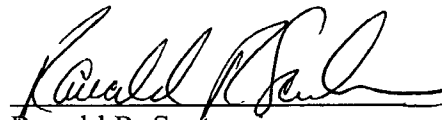

The Information Disclosure Statement submitted herewith is being filed within three months of the filing of a national application; within three months of the date of entry of the national stage as set forth in 37 CFR 1.491 in an international application; or before the mailing date of a first Office Action on the merits, whichever event occurs last. No fee is required. Since the International Searching Authority was the European Patent Office, Applicants are not required to submit copies of the cited references as they have already been provided by the International Bureau. However, one patent application publication cited in the International Search Report (EP 0 182 997 A) has now issued into a patent (EP 0 182 997 B). Applicants have enclosed a copy of this reference. Also listed on the attached Form 1449 is U.S. Patent No. 6,433,498 which is referred to in the specification. Since this is a US Patent, Applicants have not enclosed a copy. If the Examiner would like the Applicants to provide copies of this reference, Applicants will do so.

The filing of this Information Disclosure Statement is not an admission that the documents identified herein constitute prior art to the present application.

The Commissioner is authorized to charge any additional fee that may be required to Deposit Account No. 50-0320.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
